This policy has four parts;

**Part A** - The Health and Safety Policy Statement

**Part B** - Management Arrangements

**Part C** - The detailed arrangements & procedures for Health, Safety and Wellbeing within St Mark's CE Primary School

**Part D** - The Key Performance Indicators.

### **Part A: Orchard Community Trust Health and Safety Policy Statement**

Orchard Community Trust as a Multi Academy Trust recognises that the management of Health and Safety is regarded as being of the utmost importance for all pupils, employees and visitors to any of the Trust school sites and therefore accepts responsibility to set standards at least as high as the Health and Safety at Work Act 1974 and supporting regulations.

The Trust's commitments are:

- To prevent injury and ill health associated with Trust activities
- To provide a healthy and safe working environment
- To promote a positive health and safety culture throughout the Trust
- To satisfy applicable legal and other requirements
- To engage employees in developing and implementing a joint approach to the management of health, safety and welfare

Through an approach of continuous improvement, the Trust will:

- Provide and maintain plant equipment and systems of work that are safe and without risks to health
- Make arrangements for ensuring safety and absence of risks to health in connection with the use, handling, storage and transport of articles and substances
- Provide such information, instruction, training and supervision as necessary to ensure the health and safety at work of employees, pupils and visitors
- Maintain any place of work under the Trusts control in a condition that is safe and without risks to health and to provide and maintain means of access and exit that are safe
- Provide and maintain a working environment for employees and pupils that is safe and without risks to health and is adequate as regards facilities and arrangements for their welfare
- Provide such protective equipment as is necessary for the health and safety at work of employees and pupils
- Encourage staff to set high standards of health and safety by personal example

**The Trust has appointed Entrust Health and Safety as their competent person** in accordance with the Regulation 7 of the Management of Health and Safety at Work Regulations 1999. Contractors are responsible for their own health and safety protocols.

### **Legislation**

This policy is based on advice from the Department of Education on Health and Safety in Schools and all applicable legislation.

#### **Part D: Health and Safety Key Performance Indicators (KPI's)**

It is important that school leaders, governors and managers can monitor the health and safety performance of their school in order to determine where progress is being made and where further actions and resources may be required.

Key Performance Indicators include:

1. Ensure the Health and Safety Policy is reviewed annually.
2. Complete a Health and Safety self-audit each January.
3. Complete a Health and Safety Premises Checklist each October.
4. Ensure a minimum of three fire drills are completed, recorded and evaluated each year.
5. Complete an annual Risk Assessment review.
6. Ensure that all required Planned Preventative maintenance checks are undertaken.

Progress in achieving these performance indicators will be regularly reported to the Senior Leadership Team, Local Governing Board and Trustees.
